

STAR HEALTH AND ALLIED INSURANCE CO. LTD.

Star Comprehensive Insurance Policy — India

Policy No: STAR-COMP-2025-GRP-001 | Insurer: Star Health | Market: INDIA | Currency: INR

UIN: SHAHLGP21205V012021 | Effective: 01-Apr-2025 | Renewal: 31-Mar-2026

SECTION 1 — COVERAGE DETAILS

1.1 Sum Insured

Base Sum Insured: INR 10,00,000 (Ten Lakh) per insured per policy year. Super Top-Up available separately. Restore Benefit: 100% of Sum Insured restored once per policy year for unrelated illness.

1.2 Room Rent Cap

Single private AC room entitlement per GIPSA norms: up to 1% of Sum Insured per day (INR 10,000 for a 10L policy). ICU entitlement: up to 2% of Sum Insured per day (INR 20,000). If a room above the entitled category is occupied, all associated expenses (surgeon, anaesthetist, doctor visit charges) are proportionately reduced.

SECTION 2 — BENEFITS

2.1 Inpatient Hospitalisation

All medically necessary inpatient treatment requiring minimum 24-hour admission is covered, including room charges, nursing, surgeon, anaesthetist, OT charges, medicines, and diagnostics during hospitalisation. Covered under GIPSA agreed rates for empanelled hospitals.

2.2 Day Care Procedures

540 listed day-care procedures not requiring 24-hour admission are covered including dialysis, cataract surgery, chemotherapy, radiotherapy, lithotripsy, and laparoscopic procedures. See Schedule VII for the complete list.

2.3 Pre and Post Hospitalisation

Pre-hospitalisation expenses: 60 days prior to admission. Post-hospitalisation expenses: 90 days after discharge. Both covered subject to the Sum Insured.

2.4 AYUSH Treatment

Treatment under Ayurveda, Yoga, Unani, Siddha, and Homeopathy (AYUSH) at recognised government or NABH-accredited facilities is covered subject to the following: Ayurveda and Homeopathy — covered at 50% of applicable charges up to INR 50,000 per annum. In-patient AYUSH admission for minimum 24 hours: covered at 100%.

2.5 Domiciliary Hospitalisation

Domiciliary hospitalisation (treatment at home on doctor's written advice when hospitalisation is not possible due to patient's condition or unavailability of beds) is covered for a period exceeding 3 days, up to 15% of Sum Insured per year.

2.6 Maternity Benefit

Normal delivery: INR 35,000. Caesarean section: INR 50,000. Covers delivery expenses in empanelled hospitals. Waiting period: 36 months from inception of first policy. Newborn baby covered from birth up to 90 days.

2.7 Organ Donor Expenses

Medical expenses of organ donor are covered up to INR 1,00,000 provided the organ transplant is covered under this policy.

SECTION 3 — CASHLESS AND REIMBURSEMENT

3.1 Cashless at Empanelled Hospitals

Cashless facility available at 14,000+ Star Health network hospitals. Pre-authorisation mandatory for planned admissions (minimum 48 hours in advance). Emergency admissions: intimation required within 24 hours. GIPSA rates apply for all cashless claims.

3.2 Reimbursement

For treatment at non-network hospitals, claims to be submitted within 30 days of discharge with: hospital discharge summary, original itemised bills, prescription, diagnostic reports, and cancelled cheque.

SECTION 4 — DEDUCTIBLES AND CO-PAYMENT

4.1 Voluntary Deductible

Members aged up to 60: No deductible applicable. Members aged 61-70: INR 5,000 per hospitalisation. Members aged 71 and above: INR 10,000 per hospitalisation (proportionate deduction applicable).

4.2 Co-payment

No co-payment for members below age 60 using network hospitals. Members above 60: 10% co-payment for network, 20% co-payment for non-network. Proportionate deduction applies if room rent exceeds entitlement as per IRDAI norms.

SECTION 5 — EXCLUSIONS

5.1 Standard Exclusions (as per IRDAI Standardised Exclusions)

- Pre-existing conditions: 36-month waiting period (disclosed at proposal stage)
- Specific diseases waiting period: 24 months (hernia, piles, fistula, knee/hip replacement, cataract, sinusitis)
- Cosmetic or plastic surgery unless required due to accident or disease
- Dental treatment and spectacles except following accident or hospitalisation
- Congenital conditions (external) — first year exclusion
- Experimental or unproven treatment not approved by CDSCO
- Self-inflicted injuries, suicide attempts
- War, nuclear, biological, or chemical perils

SECTION 6 — GST

6.1 Goods and Services Tax

Health insurance premiums attract GST at 18% as per the GST Act. Most curative hospitalisation services rendered to patients at hospitals are exempt from GST. Diagnostics, room rent, and surgical services at hospitals are GST exempt. Pharmacy medicines supplied within hospital premises during hospitalisation: GST exempt. Outpatient pharmacy (retail): GST as applicable per product category.

Star Health is registered with IRDAI. Registration No. 129. CIN: L66010TN2005PLC056649. This policy is subject to IRDAI (Health Insurance) Regulations 2016.
