Diagnostic / Lab	20%	40%

Pharmacy (Generic)	10%	30%
Pharmacy (Brand)	20%	40%
Inpatient	10%	30%
Emergency	0%	0%
Maternity	10%	30%
Dental	20%	Not covered

SECTION 4 — VAT AND ZATCA COMPLIANCE

4.1 KSA VAT at 15%

Pursuant to the Value Added Tax Law and the rules issued by the Zakat, Tax and Customs Authority (ZATCA), VAT at 15% applies to all non-exempt medical services. Curative medical services (consultations, diagnostic tests, laboratory, surgery, ICU, emergency, maternity, inpatient room, pharmacy prescriptions, and medical procedures) are zero-rated under Article 29 of the VAT Implementing Regulations.

4.2 Cosmetic and Non-Curative Services

Cosmetic, aesthetic, and elective wellness procedures not medically necessary are subject to 15% VAT. The member bears VAT on excluded or cosmetic services.

SECTION 5 — EXCLUSIONS

5.1 Standard Exclusions

- Pre-existing conditions for first 12 months of cover for new members joining after age 50
- Cosmetic, aesthetic, and reconstructive surgery unless following an accident covered under this policy
- Infertility treatments and in-vitro fertilisation (IVF)
- Experimental therapies not endorsed by Saudi Food and Drug Authority (SFDA)
- Treatment for alcohol or drug dependency
- Services rendered outside the Kingdom unless under emergency provisions
- War, civil unrest, or nuclear/biological/chemical hazards

SECTION 6 — CLAIMS PROCEDURE

6.1 Direct Billing

Network providers submit claims directly to Bupa Arabia. Members must present their Bupa Arabia insurance card and valid ID at the point of care. Members are responsible for the applicable co-payment at the time of service.

6.2 Reimbursement Claims

For non-network or emergency treatment, members submit original invoices within 60 days of the date of service. Reimbursement is processed within 15 business days of receiving complete documentation.

Bupa Arabia is regulated by the Council of Cooperative Health Insurance (CCHI), Kingdom of Saudi Arabia. CR No. 1010240434.
