

DAMAN NATIONAL HEALTH INSURANCE COMPANY

Group Medical Insurance Policy — UAE Market

Policy No: DAM-POL-2025-GRP-007 | Insurer: DAMAN | Market: UAE | Currency: AED

Effective: 01-Jan-2025 | Expiry: 31-Dec-2025 | Network: DAMAN Smart Network

SECTION 1 — ELIGIBILITY AND COVERAGE SCOPE

1.1 Eligible Members

This policy covers all enrolled principal members and their registered dependants (spouse and up to three children under age 18). Members must be UAE residents holding valid Emirates ID. Coverage activates on the date of employment confirmation.

1.2 Geographic Coverage

Coverage is valid within the United Arab Emirates at all DAMAN Smart Network facilities. Emergency treatment is covered worldwide for up to 30 days per trip, subject to a maximum of AED 50,000 per incident.

SECTION 2 — BENEFITS SCHEDULE

2.1 Outpatient Benefits

Consultations with general practitioners (GP) and specialists are covered at 100% of the approved fee schedule with no co-payment for Network providers. Non-network providers attract a 20% co-payment. Annual outpatient limit: AED 30,000.

2.2 Inpatient and Surgical Benefits

All medically necessary inpatient admissions are covered subject to pre-authorisation. Room and board entitlement: Private room up to AED 600 per night. ICU/CCU covered at 100%. Surgical procedures covered per the DRG fee schedule. Annual inpatient limit: AED 500,000.

2.3 Pharmacy Benefits

Prescription medicines dispensed at DAMAN-approved pharmacies are covered at 100%. Over-the-counter (OTC) medicines without a prescription are excluded. Chronic disease medications require a specialist prescription renewed every 90 days. Annual pharmacy limit: AED 10,000.

2.4 Diagnostic and Laboratory Benefits

Radiology (X-ray, MRI, CT scan, ultrasound) and laboratory investigations ordered by a treating physician are covered at 100% at network facilities. MRI and CT scans above AED 1,500 require pre-authorisation.

2.5 Maternity Benefits

Normal delivery: AED 8,000. Caesarean section (elective or emergency): AED 12,000. Antenatal consultations up to 10 visits: AED 150 per visit. Postnatal care: 2 visits covered. Newborn cover begins from birth and must be added to the policy within 30 days.

2.6 Emergency Benefits

Genuine medical emergencies are covered at 100% at any facility, including non-network, within the UAE. Emergency is defined as a sudden, acute condition that poses an immediate risk to life or permanent disability. Non-emergency visits to emergency departments attract a 30% co-payment.

SECTION 3 — CO-PAYMENT AND DEDUCTIBLES

SECTION 4 — EXCLUSIONS

4.1 General Exclusions

The following are not covered under this policy:

- Pre-existing conditions disclosed at enrolment (subject to 6-month waiting period for new members)
- Cosmetic and aesthetic procedures unless medically necessary following an accident
- Dental treatment except emergency extractions (separate dental rider required)
- Optical (spectacles, contact lenses) except following eye surgery
- Experimental treatments not approved by UAE Ministry of Health (MOH)
- Treatment for self-inflicted injuries or substance abuse
- Fertility treatments and assisted reproduction
- War, terrorism, or civil unrest-related injuries

SECTION 5 — VAT AND REGULATORY COMPLIANCE

5.1 UAE VAT Treatment

In accordance with UAE Federal Tax Authority (FTA) guidelines, curative medical services including consultations, diagnostic tests, laboratory services, surgical procedures, inpatient care, ICU, emergency services, maternity services, room rent, pharmacy (prescription), and medical procedures are zero-rated for VAT purposes. VAT at 5% applies only to non-curative services (cosmetic, elective wellness) where applicable.

5.2 Pre-Authorisation Requirements

Pre-authorisation is mandatory for: all elective inpatient admissions, day-case surgeries, MRI/CT scans above AED 1,500, physiotherapy courses exceeding 5 sessions, and all organ transplants. Failure to obtain pre-authorisation may result in a 20% penalty on the settled amount.

SECTION 6 — CLAIMS SUBMISSION

6.1 Claim Filing Deadline

Claims must be submitted within 90 days of the date of service. Claims submitted after this period will be declined unless exceptional circumstances are demonstrated in writing.

6.2 Required Documentation

All claims must be accompanied by: original itemised invoice, prescription (for pharmacy claims), referral letter (for specialist claims), discharge summary (for inpatient claims), and copy of Emirates ID.

This policy is governed by the laws of the United Arab Emirates. DAMAN National Health Insurance is regulated by the Health Authority Abu Dhabi (HAAD) and the Dubai Health Authority (DHA).
